TUG OF WAR

Students of both schools and staff members participated.

As these were friendly matches, victories were shared by both schools, fostering a true spirit of sportsmanship and camaraderie. Our students with disabilities enthusiastically witnessed the matches, cheering and clapping for the winners, which added vibrancy and joy to the atmosphere.

At the conclusion of the event

- A **cake-cutting ceremony** was held to celebrate the spirit of Azadi.
- Participants and guests enjoyed tea and snacks in a warm and friendly environment.

The Azadi Matches not only celebrated Pakistan's Independence but also provided a wonderful platform for interaction, inclusion, and healthy competition between the students and staff of both schools.

Gratitude:

We extend our sincere appreciation to **ENGRO Model School** for their enthusiastic participation and collaboration in making this event a memorable success.
